Eric –

I started reviewing the TPs and making edits but then thought about the message we want to convey. That said, I included a comment in the attached for consideration. Also, for additional background information on the respective roles for managing 24(c)s here is the link to the AAPCO draft 24(c) guidance: <https://aapco.org/wp-content/uploads/2019/06/aapco-sfireg-pom-section-24c-draft-may-2019.pdf> it may offer some points to highlight. Let me know if you want to discuss further.

Regards,
Tawanda

Subject: draft talking points for AAPCO

Tawanda,

I've attached a draft of talking points for our discussion with Pat Jones. Let me know if you have any comments or edits. We should probably try to get this into the hands of OGC this week so we have time to send it up through senior management before the meeting.

Thanks.
